C-ID Articulation Officer (AO) Newsletter

General Updates

Articulation Officers - Welcome back to the 2019-2020 Academic Year! We hope you enjoyed your summer break and we are looking forward to working together for another eventful and productive year.

Academic Academy

The Academic Senate for California Community Colleges (ASCCC), in partnership with the Student Senate for California Community Colleges, RP Group, and the CCC Chancellor's Office, is hosting its 2019 Academic Academy with a focus on student experience on September 13-14, 2019 in Long Beach, CA. The event will be taking place on the Queen Mary, 11126 Queens Hwy, Long Beach, CA 90802.

Faculty and students are invited to attend the conference, which will discuss topics including Guided Pathways, student equity, technology, and diversifying of faculty. Those interested may visit the ASCCC website to register for the event.

University of California Transfer Pathways (UCTP)

In April 2018, the California Community Colleges (CCC) and University of California (UC) signed a Memorandum of Understanding (MOU) to enhance student transfer and increase academic preparation for CCC students as they transfer into a UC campus. As a result, the UCTP Guarantee pilot project in Chemistry and Physics was created based on several priorities shared by the two systems. Since their release, questions from the field have required updates to the templates for better clarification. The changes include:

· Clarification regarding the GPA of 3.5 in the major;
· Confirmation that the language requirement can be completed in high school;
· Verification that C-ID Math 910-S is acceptable for Math 240 and Math 250.

Degree templates are now available on the C-ID website UCTP tab.
For more information please read CCC Chancellor's Office memo AA 19-27.

Fall Plenary

The ASCCC Fall 2019 Plenary Session will be held November 7-9, 2019 at the Renaissance Newport Beach Hotel. The 2019 Fall Plenary Session registration and other information can be found on the ASCCC website. We hope that all local faculty leaders will plan to join us!

DISCIPLINE UPDATES

Health Information Technology

The Health Information Technology Faculty Discipline Review Group (FDRG) is currently working to finalize the draft Model Curriculum (MC) for Medical Coding, which has resulted in the creation of several descriptors. Once the MC and descriptors are finalized, the results will be posted on the C-ID website and an announcement will be made.

DISCIPLINE UPDATES

2019-20 C-ID Statistics:

Total C-ID Submissions:

28,340

Total Approved C-ID Courses:

21,321

Welding

As a reminder, C-ID finalized nine (9) new Welding Technology descriptors for courses identified as part of a potential certificate for the discipline in spring 2019. The new descriptors have been posted and may be viewed on the C-ID website. Campuses may now submit courses for C-ID review to determine comparability.

5-Year Review Disciplines

The following disciplines are beginning their 5 Year Review process Fall 2019. Be on the lookout for vetting announcements to provide feedback regarding the TMC and descriptors!

- Computer Science
- Administration of Justice
- Early Childhood Education

Faculty Members Needed

As a faculty driven system, we always welcome faculty to participate as COREs and FDRG members. If you are interested in participating with C-ID, please see below for further details.

C-ID is seeking CCC faculty to participate as FDRG members for the following disciplines:

- **Accounting**
- **Emergency Medical Technician**
- **Geology**
- **Interior Design**
- **Manufacturing & Industrial Technology**

- **Marketing and Distribution**
- **Medical Assisting**
- **Philosophy**
- **Psychology**

If you are interested in participating as a CCC CORE for C-ID, please complete this interest survey here. If you are interested in becoming a CCC FDRG member for C-ID please complete this interest survey. If you would like more information regarding these roles, send us an email at support@c-id.net or visit our website. Please share this newsletter with any faculty that may be interested.
